## BUSINESS INTERN (M/F)

### ABOUT EDUCARO

Educaro offers first class language training and the transfer of international students with an outstanding customer experience. With offices in Europe, North Africa and Asia, we are the first point of contact for students who are interested in studying in Germany. Teamwork is a key issue for us, as great results are achieved by ambitious and cooperative teams.

Therefore, we are looking for you to help grow our business in the tunisian market. Have we sparked your interest?

### YOUR TASKS

- You support relevant business functions such as Online and Marketing, Sales, Business Development, Operations, HR
- You support the business heads in fulfilling their projects and task responsibilities
- You plan and execute own projects in your respective business field according to business strategy

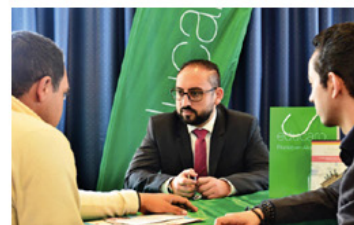

### YOUR PROFILE

- You are a 3rd year bachelor or master business student with outstanding academic achievements
- You have gained practical experience in a corporate, start-up or consulting environment
- You are characterized by high reliability as well as an independent way of working
- Maximum professionalism in dealing with customers and partners is a matter of course for you

### WHAT WE OFFER YOU

- Interesting and versatile tasks in one of the most exciting German start-ups with excellent development opportunities
- Quick decision-making through direct reporting to the head of the respective business functions you are supporting
- The opportunity to bring in own ideas and thus contribute decisively to the success of the company

Do you long for an exciting culture, a dynamic work environment and a steep learning curve? Then send us your meaningful application!
